Those rules and regulations contain provisions which require IB, in certain circumstances, to disclose the name and beneficial identity or such other information concerning Customer as the exchange or Commission may request.  7. The Customer is bound by rule 631 of the HKFE which permits the HKFE or Chief Executive of the HKFE to take steps to limit positions or require the closing out of contracts of the Customer who in the opinion of the HKFE or the Chief Executive are accumulating positions which are or may be detrimental to any particular Market or Markets, or which are or may be capable of adversely affecting the fair and orderly operation of

any Market or Markets as the case may be. In addition, IB may be required to report information regarding large open positions held by its Customers in accordance with relevant regulations. 9. The Customer hereby authorizes IB to apply any monies, approved debt securities or approved securities which the Customer may pay to IB in order to: (i) meet obligations to the HKFE Clearing House (provided that no withdrawal from the Customer's accounts with IB may be made which would have the effect that the relevant margin requirements or trading liabilities conducted on behalf of any Customer are thereby financed by any other Customer); (ii) pay commission, brokerage, levies and other proper charges for contracts transacted by IB on behalf of the Customer; and/or (iii) make payments in accordance with the Customer's directions (provided that no money may be paid into another account of the Customer unless that account is also a segregated bank account). The Customer acknowledges that IB may apply such monies, approved debt securities or approved securities in or towards meeting IB's obligations to any party insofar as such obligations arise in connection with or incidental to all futures/options contracts transacted on the Customer's behalf. The Customer agrees that IB may retain interest on the Customer's money.
10. In respect of any account of IB, its affiliates, including THSHK, or any other broker acting on their behalf, maintained with the HKFE Clearing House, whether or not such account is maintained wholly or partly in respect of the futures/options contracts transacted on behalf of the Customer and whether or not monies or approved securities paid or deposited by the Customer has been paid to the HKFE Clearing House, as between such entities and the HKFE Clearing House, such entities deal as principal and accordingly no such account is impressed with any trust or other equitable interest in favor of the Customer and the monies and/or approved securities paid to or deposited with the HKFE Clearing House are thereby freed from the trust referred to in paragraph 8, above.

14. RULES & LAWS

- » All transactions shall be subject to the constitution, rules, regulations, customs, usages, rulings and interpretations, from time to time extant or in force of the HKEx, HKFE or SEHK or other markets as applicable (and of their respective clearing house, if any), where the transactions are executed by IB or IB agents. All transactions under this agreement shall also be subject to any law, rule, or regulation then applicable thereto, including but not by way of limitation, the provisions of the Ordinance, as amended from time to time, and the rules and regulations thereunder.
- » All transactions entered between IB and the Customer relating to any money, foreign currency, currency option, currency future, or currency forward contract or foreign exchange contract shall be governed by and subject to all the rules, regulations, orders and laws of the country of the currency or money concerned and those of Hong Kong and/or the by-laws, rules and regulations of the exchange concerned in which the transaction is done.
- » All transactions related to futures/options contracts executed in markets other than those organized by the HKFE will be subject to the rules and regulations of those markets and not those of the HKFE, with the result that the Customer may have a markedly different level and type of protection in relation to those transactions as compared to the level and type of protection afforded by the rules of the HKFE.
- » No provisions of this Agreement will operate to remove, exclude, or restrict any of your rights or any obligations of IB under Hong Kong law.

15. EXPLANATION OF MARGIN PROCEDURES AND UNILATERAL CLOSING OUT OF CLIENTS' POSITIONS

Margin Procedures

We set out below an explanation of margin procedures and the circumstances under which Customer positions may be unilaterally closed.

- » Paragraph 11 of the IB Customer Agreement sets out detailed provisions regarding Margin Requirements.
- » IB follows all margin rules laid down by all exchanges on which products are traded on margin.
- » Any changes in margin requirements (whether imposed by the exchange or by IB) will be communicated to customers.
- » Customers must remember that, in the event of a default, IB may close out the customers' open positions without prior notice to or consent from the customers as provided for by the terms of the Agreement. IB has reserved in the Agreement the right to close out any open positions(s) without notice: (i) when the margins on deposit with IB are exhausted, inadequate in the opinion of IB to protect it against possible price fluctuations or any adverse conditions; or (ii) any other appropriate circumstances. Please Note: IB is required to notify the HKFE (and may be required to report to the HKFE and the Commission particulars of all open positions) if Customer fails to meet two or more successive margin calls or demands for variation adjustments if the total amount in default exceeds HK \$150,000.

- » No conduct or omission on behalf of IB, nor any agreement purportedly entered into on IB's behalf (save an agreement in accordance with the terms of the Agreement), shall constitute any form of waiver or variation or relaxation of IB's rights to close out customers' positions unilaterally.
- » Any steps taken by IB to close out customers' positions unilaterally will be entirely without prejudice to IB's other rights under the Agreement and otherwise, in particular the right to payments from customers of all amounts outstanding.

16. STATEMENT OF PARTICULARS OF APPROVED CONTRACTS

IB and THSHK are licensed to trade in the products approved by the HKEx, HKFE or SEHK, as applicable, from time to time. Contract specifications for the products in question are available on request.

17. If Customer suffers pecuniary loss by reason of IB's default, the liability of the Investor Compensation Fund will be restricted to valid claims as provided for in the Ordinance and the relevant subsidiary legislation and will be subject to the monetary limits specified in the Securities and Futures (Investor Compensation – Compensation Limits) Rules and accordingly there can be no assurance that any pecuniary loss sustained by reason of such a default will necessarily be recouped from the Investor Compensation Fund in full, in part or at all.
